This requirement applies to all residence districts.
- <sup>B</sup> On all streets other than Knickerbocker Road, Hardenburgh Avenue, County Road, Anderson Avenue, Piermont Road and Lenox Avenue, an alternate setback will be required, conforming to the established average setback on the street on which the lot fronts, within the same district and within 300 feet on each side of the lot along the same side of the street, but not beyond any intersecting streets, established by three or more houses. [Amended 4-15-1996 by Ord. No. 774]

These minimum open space setbacks may be expanded as a result of applications to the New Jersey Department of Environmental Protection for stream encroachment permits. Said permit applications shall be required when the tributary drainage area for the brook or stream exceeds 50 acres. [Amended 4-15-1996 by Ord. No. 774]
